COMMENTARY ON THE 2019 UNAUDITED HALF YEAR RESULTS

The Total Kenya PLC Board of Directors is pleased to announce the unaudited half year results for the period ended 30th June 2019.

GROWTH IN REVENUES AND PROFITABILITY

The Company realized a 7% growth in profit after tax in the first half of 2019 compared to a similar period in 2018. This performance was achieved through positive contribution from increase in sales volumes, diversification revenues and prudent management of operating expenses.

The increase in Gross Turnover by 41% resulted majorly from bulk sales in the Open Tender System (OTS). Gross Margins increased by Kes 68 million. Other Income increased significantly by 49% in 2019 compared to 2018 contributed by diversification of services in the Company's retail outlets. The Company has continued to invest in convenient stores ('Bonjour Shops'), Car wash, Total Quartz Auto Service Centres and partnerships with third parties in provision of services to our esteemed customers making our retail outlets one stop shops.

Operating expenses have been controlled within inflation. Net finance income of Kes 128 million resulted from positive cash position in Kenya shillings emanating from better working capital management.

The Foreign Exchange loss of Kes 102 million is attributable to the valuation of liabilities in foreign currency impacted by the depreciation of the Shilling against the US Dollar in the period.

Profit before tax was above 2018 by Kes 55 million.

The Company's Statement of Financial Position remained strong with net assets increasing from Kes 22.7 billion in 2018 to Kes 23.0 billion.

The Management of the Company will continue to focus on providing innovative solutions to enhance customer experience, investments to maintain safety standards in our operations and diversify on the services.

The Directors do not recommend the payment of an interim dividend.

FUTURE OUTLOOK

The Board is confident and fully supports the action plans set by Management to grow the business while mitigating risks. The Company is well positioned to take advantage of identified profitable opportunities and will continue to perform safely in line with the growth strategy.

By order of the Board
Mr Olagoke Aluko - Managing Director.
