Explanatory notes: *These condensed consolidated interim financial statements have been prepared in accordance with IAS 34 Interim Financial Reporting. The financial statements do not include all of the information required for full annual statements, and should be read in conjunction with the consolidated annual financial statements of the Group for the year ended 31 December 2022.*

RESULTS HIGHLIGHTS

Operating Environment

The first half of the year witnessed heightened inflationary pressures coupled with significant depreciation of the local currencies impacting our fuel, power and production costs.

Financial Highlights

- The Group Turnover for the period was KES 22,260 million up 11% above prior year.
- The profit before tax for the period was KES 621 million compared to KES 124 million the prior year.
- Profit after tax was impacted by settlement of corporation tax matters in Uganda.
- Cash generated from operations increased by 260% to KES 2,890 million driven by a better profit before tax.

OUTLOOK

We are cognisant of the current challenging operating environment. Nonetheless, we remain steadfast in our efforts to drive positive performance in H2 2023.

INTERIM DIVIDEND

The Board does not recommend the payment of an interim dividend for the Financial Year 2023.

By Order of the Board,

Dr. John P.N. Simba EGH, MBS, OGW
