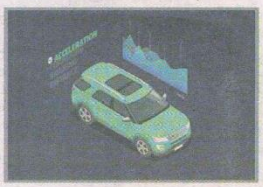
AutoCorrect

A telematics motor insurance policy that:
- Reduces the cost of insurance
- Rewards you for good driving
- Removes drama in the event of a claim

We will instal a free telematics device in your vehicle



Which gathers data on how you drive

Through our app you will be able to assess how you're faring with updated feedback on your driving and how you can improve your driving

You will also enjoy rewards by accumulating points for good driving which you can redeem in selected outlets

Based on how well you drive during the year, you can save up to 15% of your insurance premium

	8,012,203	**7,649,306**	**7,619,139**

*Restatements arose due to accounting policy changes in 2018. The accounting policies applied in the preparation of these interim financial statements are in terms of IFRS and are consistent with those applied in the previous Group annual financial statements except for the mandatory adoption of IFRS 16 Leases. The Group applied IFRS 16 retrospectively from 1 January 2019, using the modified retrospective approach. Comparatives are not restated under this approach. There was no impact to opening retained earnings on adoption of IFRS 16. The impact of IFRS 16 to profit or loss for the six months ended 30 June 2019 was immaterial.

By Order of the Board dated 29 August 2019
