COMMENTARY ON THE RESULTS

The Board of Directors is pleased to announce the unaudited results for the half-year ended 30th June 2020. The same accounting policies and methods of computation have been used as were in the last financial statements.

BUSINESS COMMENTARY

During the half-year ended 30th June 2020, Group's revenue dropped by 10% compared to a growth of 5% for the comparable June period in 2019.

For the first quarter of the year, business had picked up rapidly, giving signs of a great year ahead. However, the spread of the corona virus into our region, hence, the various mitigations that our regional governments took to curb the spread did not favour business performance. The economic growth of the region slowed down drastically, as business almost came to a stop due to the lock down. Our company management put in place measures to control expenses at the bare minimum and relied heavily on the strength of our Brand and our network of stakeholders to move our product.

DIVIDEND

The Board of Directors does not recommend payment of any dividend.

By Order of the Board
Conrad Nyukuri,
Company secretary
